Brian Bear, MD Selected to Instruct Peers at Wrist and Elbow Surgery Course

ROCKFORD, IL November 25, 2013 ... Brian Bear, MD, of Rockford Orthopedic Associates, Ltd. was selected to join other world-renowned wrist and elbow surgeons as instructors at the American Academy of Orthopaedic Surgeons' (AAOS) *Wrist and Elbow Arthroscopy and Associated Procedures: Techniques and Innovations* course held November 22-23, 2013 in Rosemont, Illinois. As a member of the esteemed faculty, Dr. Bear worked with peer orthopedic surgeons to improve their surgical skills and review the latest treatment options in arthroscopic treatment.

Founded in 1933, the AAOS is the preeminent provider of musculoskeletal education to orthopaedic surgeons and others in the world. In addition to its annual meeting, the organization's continuing medical education activities also include multiple hands-on training credit courses held around the country such as this November 22-23 course at the Orthopaedic Learning Center, in Rosemont, Illinois.

As a Board-Certified surgeon, Dr. Bear's practice at Rockford Orthopedic Associates is focused on shoulder, elbow, hand, microvascular, traumatic, and reconstructive surgery. He is an Associate Clinical Professor of Orthopaedic Surgery at the University of Illinois College of Medicine in Rockford and a frequent lecturer at the AAOS Orthopaedic Learning Center in Rosemont, Illinois. Dr. Bear is actively involved in clinical research and has published numerous journal articles..

Rockford Orthopedic Associates, Ltd. serves the Northern Illinois region in multi-specialty orthopedics from offices in Rockford, Crystal Lake, and Huntley, Illinois and offers a full range of bone and joint care including the specialties of podiatry, physical medicine and rehabilitation, occupational health and rheumatology. Rockford Orthopedic offers the ancillary services of physical therapy, MRI, and an out-patient surgery center. #

... a higher standard of care.
