EDUCATION & TRAINING

2011-2012: RUSH University Medical Center, Chicago, IL

Adult Reconstructive Orthopaedic Surgery Fellowship

2005-2011: Cleveland Clinic Foundation, Cleveland, OH

- Department of Orthopaedic Surgery
- 2008-2009: Dedicated Research Year in Adult Reconstruction
- 2011: American Board of Orthopaedic Surgery Step 1 Examination
 - o Board Eligible

2001-2005: State University of New York Upstate Medical University, Syracuse, NY

- Doctor of Medicine
- Academic Year 2001-2002: Elected Co-President of Health Care in Transition (HIT) under then President Dr. Gregory Eastwood
- Academic Year 2002-2003: Medical Student Interviewing Committee
- USMLE Step 1: 92

1997-2001: University of Michigan, Ann Arbor, MI

- Bachelor of Arts with Distinction in Philosophy
- Academic Year 2000-2001: Organic Chemistry and Biochemistry Proctor
- Summer 1999: Emergency Medical Technician License obtained in New York State
- Summer 1998: Humanitarian Services abroad in Nairobi, Kenya and Musoma, Tanzania
- Academic Year 1999-2001: National Society of Collegiate Scholars, Golden Key National Honor Society
- Working understanding of Arabic Language
- Overall GPA: 3.7

.

RESEARCH EXPERIENCE

Academic Year 2008-2009: Research Assistant to Antonie van den Bogert, PhD

- Cleveland Clinic Foundation, Department of Biomedical Engineering
- Development and Implementation of a novel Cadaveric Robotic Hip Model, Evaluation of Dislocation Potential of Hip Resurfacing versus Arthroplasty

Academic Year 2004-2011: Research Assistant to Dr. Wael Barsoum

- Cleveland Clinic Foundation, Department of Orthopedic Surgery
- Adult Reconstruction: Joint Kinematics, Data Collection, Clinical Trials, Manuscript/Grant Preparation

Academic Year 2003: Research Assistant to Drs. Timothy Damron, Bruce Fredrickson and Richard Tallarico

- SUNY Upstate Medical University, Department of Orthopedic Surgery
- Evaluating Sacral Table Index, Sacral Table Angle, and Lumbar Index in occurrence of Spondylolisthesis
- Squamous Cell Carcinoma Arising at a Pin Site within Six Weeks: A Case Report

Summer 2002: Primary Investigator with Dr. Wael Barsoum

- Cleveland Clinic Naples Florida, Department of Orthopedic Surgery
- Evaluation of intra-articular injection of Ketorolac in patients status post knee arthroplasty

Academic Year 1998-2000: Research Assistant to George W. Jourdian, PhD

- University of Michigan, Departments of Biological Chemistry and Internal Medicine
- Isolation and clarification of nucleotide oligosaccharides in bovine liver

Summer 1998: Research Assistant to Dr. Shirley Joseph

- University of Rochester, Department of Neurobiology
- Epilepsy research focusing on Hippocampus and Cerebral Cortex utilizing Immunocytochemistry
